(ii) The local agency has sufficient reason to believe that the person still meets the income eligibility standards (e.g., the elderly person has a fixed income); and

(iii) No eligible women, infants, or children are waiting to be served.

(b) *On what day of the final month does the certification period end?* The certification period extends to the final day of the month in which eligibility expires (e.g., the last day of the month in which a child reaches his or her sixth birthday).

(c) *Does the certification period end when a participant moves from the local area in which he or she was receiving benefits?* No. The State agency must ensure that local agencies serve a CSFP participant, or WIC participant (if also eligible for CSFP), who moves from another area to an area served by CSFP, and whose certification period has not expired. The participant must be given the opportunity to continue to receive CSFP benefits for the duration of the certification period. The local agency that determined the participant's eligibility must provide verification of the expiration date of the certification period to the participant upon request.

(d) *What must the local agency do to ensure that participants are aware of the expiration of the certification period?* The local agency must notify program participants in writing at least 15 days before the expiration date that eligibility for the program is about to expire. The local agency must include a statement in the written notification that informs the applicant that program standards are applied without discrimination by race, color, national origin, age, sex, or disability.

(b) *What must a local agency do if it has to discontinue a participant from participation in the program prior to the end of the certification period due to the lack of resources necessary to continue providing benefits to the participant?* If a local agency does not have sufficient resources, such as a sufficient number of caseload slots, to continue providing benefits to the participant(s) for the entire certification period, it must provide the participant(s) with a written notification of discontinuance at least 15 days before the effective date of discontinuance.

(c) *What must be included in the notification of discontinuance?* The notification of discontinuance must include the effective date of discontinuance, the reason for the participant's discontinuance, a statement of the individual's right to appeal the discontinuance through the fair hearing process, in accordance with § 247.33(a), and a statement that informs the applicant that program standards are applied without discrimination by race, color, national origin, age, sex, or disability.

§ 247.18 Nutrition education.

(a) *What are the State agency's responsibilities in ensuring that nutrition education is provided?* The State agency must establish an overall nutrition education plan and must ensure that local agencies provide nutrition education to participants in accordance with the plan. The State agency may allow local agencies to share personnel and educational resources with other programs in order to provide the best nutrition education possible to participants. The State agency must establish an evaluation procedure to ensure that the nutrition education provided is effective. The evaluation procedure must include participant input and must be directed by a nutritionist or other qualified professional. (2) Nutritious ways to use CSFP foods;

(3) Special nutritional needs of participants and how these needs may be met;

(4) For pregnant and postpartum women, the benefits of breastfeeding;

(5) The importance of health care, and the role nutrition plays in maintaining good health; and

(6) The importance of the use of the foods by the participant to whom they are distributed, and not by another person.

(c) *To whom must local agencies provide nutrition education?* The local agency must make nutrition education available to all adult participants and to parents or caretakers of infants and child participants. Local agencies are encouraged to make nutrition education available to children, where appropriate.

(d) *May CSFP foods be used in cooking demonstrations?* Yes. The State or local agency, or another agency with which it has signed an agreement, may use CSFP foods to conduct cooking demonstrations as part of the nutrition education provided to program participants, but not for other purposes.

§ 247.19 Dual participation.

(a) *What must State and local agencies do to prevent and detect dual participation?* The State agency must work with the State WIC agency to develop a plan to prevent and detect dual participation, in accordance with an agreement signed by both agencies. The State agency must also work with local agencies to prevent and detect dual partici-

In accordance with § 247.8(b), the local agency must ensure that the applicant, or the adult parent or caretaker of the applicant, signs an application form which includes a statement advising the applicant that he or she may not receive both CSFP and WIC benefits simultaneously, or CSFP benefits at more than one CSFP site at the same time.

(b) *What must the local agency do if a CSFP participant is found to be committing dual participation?* A participant found to be committing dual participation must be discontinued from one of the programs (WIC or CSFP), or from participation at more than one CSFP site. Whenever an individual's participation in CSFP is discontinued, the local agency must notify the individual of the discontinuance, in accordance with § 247.17. The individual may appeal the discontinuance through the fair hearing process, in accordance with § 247.33(a). In accordance with § 247.20(b), if the dual participation resulted from the participant, or the parent or caretaker of the participant, making false or misleading statements, or intentionally withholding information, the local agency must disqualify the participant from CSFP, unless the local agency determines that disqualification would result in a serious health risk. The local agency must also initiate a claim against the participant to recover the value of CSFP benefits improperly received, in accordance with § 247.30(c).
